Dear Church,

We have entered June! Summer is upon us (we just need the weather to catch up), many of our Snow Birds have returned, and The Michigan Conference of the United Methodist Church just had its Annual Conference!

This Sunday, Pastor Matthew will give an update about the Annual Conference. For the first time in many years, giving is UP in Michigan United Methodist churches, and the Michigan Conference gave more to United Methodist Missions than any other conference in the WORLD! Williamsburg is a part of that giving with our ministry shares and several of our monthly noisy offerings! The biggest change is that our Conference will be going down to 4 district with 5 district superintendents. Williamsburg, and the rest of the northern Lower Peninsula will now be joining the Upper Peninsula in the Northern Skies District. That doesn't change much other than where we email forms, and I might have a couple longer drives for district events.

Because the third Sunday of this month is Father's Day, we will be having our Book Study on June 14th.

Blessing to you all, and I look forward to seeing you on Sundays.

Peace,

Pastor Matthew
