A huge thank you to all of our business donors and personal donors for their support. A huge shout out to all who helped by volunteering at the event! The Social and Auction were both a success. Together we raised over \$7,000. With these funds we are able to support the ministries of our church and provide more to our community via programming.

Thank You

Wednesday July 20 - Building a Foundation for Faith (based on (from 1 Corinthians 3:6-9)
*One person plants the seed and another one waters it, but only God can make things grow.
We are co-workers in God's service.*

Be a co-worker with Christ! See how nurturing and tending to God's creation
is part of building a foundation from which our faith can grow!

Wednesday July 27 – Transformed by Christ (based on Romans 8:9)
*If the Spirit of God, who raised up Jesus from the dead, lives in you, he will make you live again,
by means of this same Holy Spirit living within you.*

Learn how caterpillars are transformed into beautiful butterflies
and how we can experience new life in Christ.

Wednesday August 3 – Putting our Faith into Action (based on 2 Peter 1:19)
*To obtain the gifts of the Holy Spirit, you need more than faith;
you must also work hard to be good, and even that is not enough.
For then you must learn to know God better and discover what he wants you to do.*

Did you know that when bees manufacture and store honey it is not for themselves?
They are working to provide for the next generation and
relying on what God has instinctively called them to do.
Learn how we can do the work God intends for us to do and put our faith into action.
