Hello There Williamsburg UMC Family and Friends,

School is starting, many of the tourist have made their way home, and we are in the season of Local's Summer / Early Autumn. I love it! It seems like a time of change, of new beginnings, of settling down. On our church calendar we have plenty to keep us busy: Charge Conference and all the paperwork that comes with it, a fellowship dinner and dulcimer concert, a new Adult Sunday School series, Pastor Appreciation month, All Saints Sunday, and finally the start of Advent at the end of November. Its hard to think about the start of the Christmas season when we are still going to the beach, but it will be upon us in the next three months!

Fall is also a time that many churches do their stewardship campaign. While I do not plan on having a full campaign, it is important for us to have reminders that how we spend our money is directly connected to how we live out our Christian faith. And that is really why we come to church, to connect our faith to our lives and to do so in community with others trying to do the same thing.

Hoping to see you all soon.

Late Summer Blessings,

Pastor Matthew
